

## **EWP STORAGE – TOOL HOLDERS**

## **BOOM MOUNTED TOOL HOLDERS (MADE IN USA)**

Take the tools out of the bucket and mount them on the boom for safe, convenient access. Made from high impact plastic, Jameson's boom-mount tool holders can be strapped to round or square booms

All boom mount tool holders include the Jameson Handle Unit. This web strap and ratchet lock clamp fastens the hydraulic tool securely into a fixed position on the boom. Its rubberised liner prevents the tool handle from sliding out of the upper holder box. Fits round and square booms.

Nylon Ratchet Strap Model No. 24-09R
